**View Word file :**  Cold Laminators

### The Detail Description of Cold Laminators :

Cold laminators are suitable for pictures, blueprints, documents, photos, posters, and so on. There are such good features as antiseptic, waterproof, resisting ultraviolet ray, and wonderful figure. The total working range is from 650mm to 1900mm

Laminating protects color inkjet prints and extends the life span of the image. In large-format graphics, mounting or laminating a print will extend its life and improve customer satisfaction. Customer satisfaction means that the customer will return to your shop for another job. Both you and your customer win when you offer print finishing services.

Mode	Ts 65CM	Ts 110CM	Ts 130CM	Ts 160CM	Ts 190CM
